7) Under Section 48 of the District Boards Act, the Government can resume control of those buildings which were entrusted to the District Board under Section 47. This presupposes that the building originally belonged to Government. Hence the information at 'A' seems necessary before deciding the question.

8) There is no other specific provision in the Act for Government taking action. It is true that the President ought not to have mixed up party politics in this affair. He should have placed the matter before the District Board and obtained their opinion or resolution and sent the same to Government. But it would not however be appropriate to act under the Defence of India Rules. Further question as to the general powers of Government to step in and take charge of this building may be examined after obtaining the information at 'A'.

The act of the President in not allowing the use of the Town Hall for holding a public meeting in connection with the celebration of the 2nd Anniversary of the War, on the ground that the permission if granted would be an infringement of a violation of the Congress principle of not co-operating with Government matters connected with War, seems to me, a misuse of his powers as President of the District Board. Dated Chitaldrug, 4th September....*1941* .

C.B. 1115 29/8/41

Dear Sir,

I write to state that there are only two suitable buildings in Chitaldrug Town which are fit for holding public functions or meetings with accommodation for a large number of people. One is the Town Hall and the other is the District Board Office building Hall. Both the buildings are under the control of the District Board and as the President of the District Board is elected on Congress Ticket, the use of these buildings for any public functions or meetings connected with matters which are against congress principles is refused, though the Deputy Commissioner is to preside at such functions or meetings. The latter has no control over these buildings.

2. In connection with the Public Meeting to be held on 3rd September 1941 for celebrating the Second Anniversary of the War, I requested the President, District Board, in my D.O.Letter No.Cl.C.3738/39=40 dated the 29th August 1941 to place the District Board Hall at my disposal for holding the Public Meeting, as the Town Hall had been closed due to plague infection. The President, District Board came and orally represented to me that his position was very delicate being bound by certain party principles and that he would be compelled to resign if he allowed the use of the District Board Hall for holding the Public Meeting in connection with the celebration of the Second Anniversary of the War, as it was against congress principles to co-operate in matters connected with War. He sent me a reply (copy enclosed) expressing his ~~xxx~~ regret to place the Hall at my disposal for holding the meeting. With some inconvenience the Public Meeting was held yesterday

yesterday in the Hall of the Government High School and many people had to stay out for want of accommodation.

3. On a similar occasion when the High School staff wanted to stage a Drama in January last in the Town Hall in aid of the Mysore War Fund, the use of the Town Hall was first promised but afterwards refused. With some pressure, the President District Board, Mr.S.Veerabasappa, consulted Mr.S.Nijalingappa, the then President of the District Congress Committee who was then at Bangalore by a telegraphic message and then permitted the u of the Hall on condition of payment of rent of Rs.3/- per d . The drama was staged with some inconvenience as permi ion was not given till the last moment and the opportunity of cc ecting a good amount of for War Fund was lost due to want proper advertisement on account of uncertainty of the place here the Drama was to be staged. When I wrote to the Presi nt, District Board to state the circumstances under which e consulted Mr.S.Nijalingappa who was not a member of the I trict Board, he replied that he consulted him in his priva capacity as Mr.Nijalingappa, Vice-President, and himself belor d to one political party. A copy of his reply is enclosed.

4. In this connection, I am to state that the Town Hall ich was under the control of the Chitaldrug Town Municipal y has been transferred to the control of the District Board ome years ago. The Municipality wants the building back to th r control and I am getting at the records relating to the c cumstances under which the Town Hall was transferred to the c trol of the District Board.

5. In the meantime, I request Government to clarify the position of the Deputy Commissioner with regard to the demanding of the use of the Town Hall or the District Board building Hall for any public function or public meeting connected with War or other matters which may be against congress principles. These are buildings built out of public funds and

and I do not think that the President, District Board can refuse the use of the Hall for any public function or meeting by virtue of his belonging to a particular political - party. I think it is desirable that the Deputy Commissioner should have control over these buildings and their furniture so as to demand their use whenever there is occasion for any public function or meeting. I request clear instructions in the matter.

Yours sincerely,

To

Confidential D.O.Letter No.28/40-41 dated the 19th February 1941 from the President, District Board, Chitaldrug, to the Deputy Commissioner, Chitaldrug District, Chitaldrug.

===

Your kind Confidential D.O.Letter No.C.C.11/40=41 dated 2nd instant and subsequent reminder thereon dated 13th idem.

In this connection I write to state that the then President-in-charge, District Board had already replied the Head Master, Government High School, Chitaldrug, to the effect that the Town Hall could not be spared for the purpose of - enacting dramas.

There were already differences of opinion between myself and the Vice-President, with regard to the internal administration of the District Board and I did not like to create further hitch between ourselves by contradicting the previous order completely. Hence I had to charge rent for the Town Hall. There is a precedent that the Town Hall was given out for rent by my predecessor for staging dramas there.

In this connection, I agree with you that Mr. S.Nijalingappa has nothing to do with the administration of the District Board affairs. But I consulted him in my private capacity since myself, the Vice-President and Mr.S.Nijalingappa belong to one political party and the cost of the correspondence was not borne by the Board. I may also intimate to you that no such telegram as 'Yes Take Rent Don't attend" was received by me in reply to my telegram.

All the connected papers are herein enclosed for your kind perusal and return.

With reference to para 4 of my D.O.Letter No.Cl.C.3738/39 dated 4th September 1941 addressed to you in the above matter, I write to state that it is disclosed from the records since traced in the office of the District Board that the Town Hall known as Sri Chamaraja Memorial Hall at Chitaldrug was constructed in memory of His Highness the late Sri Chamarajendra Wodayar Bahadur at a cost of Rs.28518/- of which Rs.24018/- was collected from private subscription, Rs.2000/- was paid from the Local Funds General and the balance of Rs.2500/- was contributed by the Education Department A copy of the Memorandum showing the receipts and expenditure is enclosed for favour of information. The front portion of the building consisting of a Hall and a few rooms is used for Public purposes and the rear portion of the building is used as Hostel for the students of the Government High School at Chitaldrug. The entire building after construction was handed over to the Chitaldrug Municipal Board in June 1901. In November 1906 the Municipal Board passed a resolution suggesting the future upkeep and management of t Town Hall to be taken over by the District Board, as they were not in a position to maintain the building. Accordingly the District Board passed a resolution on 17th December 1906 agreeing to take up the future up keep and maintenance of the building and Government in their Order No.7404-5/L.B.308-06-2 dated 2nd March 1907 transferred the Town Hall to the management of the District Board. The copies of the District Board resolution of 17th December 1906 and the Government Order of 2nd March 1907 are enclosed for favour

Letter No.G.C.41/42 dated 12th August 1941 from the President Town Municipal Council, Chitaldrug, to the Deputy Commissioner, Chitaldrug District.

I have the honour to state that the present building occupied by this office is a small one consisting of a hall which is used for holding municipal council meetings and two rooms and another narrow hall which forms the right wing. One room is occupied by the Head Clerk, the second room is occupied at present by the President. The right wing is occupied by the two clerks and hence there is no accommodation for the Chief Officer.

The Bill collectors will have to work in the same room occupied by the two clerks for demand and collection work in the afternoon, thus causing great disturbance to the clerks and the work of the office also will be much jeoparadised. There is no sufficient accomodation even for the meeting of the full council This is not in keeping with its dignity and prestige. There is no separate bonded ware house for this municipality.

In short the present building is not commodious for this office, another building of 4 or 5 rooms with a hall is a dire need. Hence I suggest that Sri Chamarajendra Memorial Hall satisfies all the requirements and well situated for holding this office.

In this connection I may bring to your kind notice that previously the Chamarajendra Memorial Hall was in the management of the town Municipal Council where all its transactions meetings etc., were held. It is not known how itpassed on to the hands of the District Board. The District Board, Chitaldrug have got their own building as such, there is no need for the District Board to have that building.

However the building in question may kindly be ordered to be handed over to this Municipality as the present building is incommodious to hold this office. New structures required involve expenditure which the present financial condition of the Council

Sir,

I have the honour to state that the President, Town Municipal Council, Chitaldrug in his letter No.nil, dated 12th Aug. 1941 requested that the Town Hall Sri Chamarajendra Memorial Hall at Chitaldrug may be handed over to the Municipality since the present Municipal Office building is quite insufficient for the Municipal Offices, and that the Town Hall building was previously in the custody and management of Town Municipal Council when all its meetings and transactions &c., were held. At present the Town Hall building is let out for the Education Department for locating the New Middle school, on a rent of Rs.30/- per month temporarily. Since the Board feels difficult for the upkeep of this huge building and also to its establishment, the subject of handing it over to the Municipality was placed before the District Board at their meeting held on 19th Nov. 1941 and they were pleased to resolve that sanction of Government to hand-over the Town Hall building to the Chitaldrug Town Municipality may be obtained.

OFFICE OF THE DEPUTY COMMISSIONER,

Dated Chitaldrug, 3rd December 1941.

Dear Sir,

In confirming the marginally noted telegram sent to you this afternoon, I enclose a copy of the D.O.Letter No.18/41-42 dated 3rd December 1941 in reply to my letter No.C.C.56/41-42 dated 30th November 1941 requesting him to place the District Board Hall at my disposal on the 4th and 5th December in connection with the meeting of Officers and non-officials on the 4th instant and the public meeting in connection with War efforts on the 5th instant both to be presided by the Minister for Law. While he has no objection to spare the Hall on the 4th instant, he states that it will not be possible to spare the hall on the 5th instant since it is required in some other connection which is not mentioned in his letter. I think his attitude in this connection is highly objectionable and he is averse to spare the hall for any purpose connected with War efforts. He suggests that arrangement may be made in the Town Hall for the meeting on the 5th instant but the middle school is being held in the Town Hall and there are no electric lights in the building. I request you to kindly instruct the District Board President by wire to spare the District Board Hall on the 5th inst., also and to see that order of Government are received regarding the demand by the Deputy Commissioner for the use of the building about which I have already made a reference in my letter No.Cl.C.3738/39 dated 4th September 1941 and subsequent D.O.Letter No.A6.C.679/41-42 dated the 11th October 1941.

I hope that in this connection, Government would consider the position of the Deputy Commissioner in the District

D.O.Letter No.18/41-42 dated the 3rd December 1941 from the President, District Board, Chitaldrug, to the Deputy Commissioner Chitaldrug District, Chitaldrug.

With reference to your D.O.Letter No.C.C.56/41-42 dated 30th November 1941, requesting me to place the District Board Hall at your disposal on the 4th and 5th instants with - furniture, I write to inform you that I have no objection to spare the Hall with furniture as desired on the 4th instant. It will not be possible to spare the Hall on the 5th since it is required in some other connection and 50 chairs are promised to be given to the President, Hosadurga Municipal Council in connection with the Minister's tour programme.

Further, in this connection I would like to suggest that arrangements in connection with the Minister's tour programme on the,5th may be made in the Town Hall.

Further, I write to state that necessary ordess have been issued to all the Range Sanitary Inspectors to reserve the T.Bs., in their jurisdiction for the use of the Minister on the dates noted in the programme with strict instructions to keep - them neat and tidy.
